MEET TUNES

The Call Me Tunes series follows Tunes, a young boy with autism who uses sensory tools, such as headphones, to navigate everyday experiences. Each story reflects real-life moments that promote emotional growth, confidence, and self-regulation.

MEET THE AUTHOR

Sandra Velazquez is a children's author and educator with over 15 years of experience in education. As the mother of a neurodivergent child, Sandra brings both personal and professional insight to her work. Her stories are inspired by real-life moments at home and in the classroom, celebrating sensory needs, emotional growth, and the unique strengths of every child.
